**The Cluster of Transport and Logistics of the Basque Country will approach the 2010 Management Plan in its 4th general assembly.**

The Cluster of Transport and Logistics of the Basque Country will celebrate its 4th general assembly, where the 2010 Management Plan will be debated. The meeting will take place from 12.30 h. in the Kursaal Palace, in San Sebastian, as the entity reported. In a press release, the organization informed that, before this meeting, there will be celebrated an open technical sessions under the title 'The company multilocated', organized by the Cluster in collaboration with the Association for the Progress of the Direction (APD), the Gipuzkoa's Chamber of Commerce and under Azkar's sponsorship.
