The Food Bank of Burgos sends pastries of Siro to Lorca.

The earthquake that affected the town of Lorca and his environment has caused a wave of solidarity among many of the food companies working with the Spanish Federation Bank of Food (FESBAL). The Murcia Food Bank received 60,000 containers at once, with a total of 18 tons of goods donated by Leche Pascual that could had been managed with the help of the company Azkar Logística, which has facilitated access to one of their platforms.
